Eelūnaapéewi Lahkéewiit Council

COMMUNITY BULLETIN

RE M I N D E R

Unlicensed Cannabis Dispensaries

The Eelūnaapéewi Lahkéewiit Council is issuing this community bulletin regarding the retailing of unlicensed and unregulated Cannabis and Cannabis-related products.

Both the Federal and Provincial governments have proceeded with the implementation of the legalization and, as a result the following motion was issued by the Council on August 29, 2018:

MOTION NO. 05 SUBJECT: UNLICENSED CANNABIS DISPENSARIES

"That the Eelūnaapéewi Lahkéewiit Council hereby directs that there will be no unlicensed cannabis dispensaries within the Eelūnaapéewi Lahkéewiit territory (Moraviantown) until there are proper Tribal law and regulations in place.

Failure to comply will result in legal action.

This law and regulations will be in place prior to the legalization of recreational cannabis."

This means that all unlicensed (*as per federal and provincial statutes*) cannabis dispensaries are subject to enforcement of warrants, seizures and charges by the Eelūnaapéewi Lahkéewiit Police Service, effective August 29, 2018.

A community referendum will be held during the 2019 Council Elections on the future of retail cannabis within the Eelūnaapéewi Lahkéewiit territory.

14760 School House Line, Moraviantown, ON**

Police Ethnic and Cultural Exchange Program (P.E.A.C.E.)

West Region OPP

PROGRAM DESCRIPTION

Through the PEACE program, the OPP in West Region works with First Nation leadership to identify and employ Indigenous students (ages 18-20) to work at local detachments for placements (eight-week term) during July and August annually.

- The PEACE participants are assigned to work under the supervision of mentoring OPP Officers.
- As per the PEACE program officer guidelines, the assigned OPP member is responsible for ensuring the safety of the PEACE program participant.

The PEACE program is facilitated through the Provincial Liaison Team (PLT), of the Indigenous Policing Bureau, as part of their community outreach and engagement initiatives. PLT seek the support of local Band Councils through their hiring of a suitable summer student candidate.

As a participant in this initiative the student will have hands on exposure to all aspects of police operations. The student will also work on police/community related projects that will enhance their ability to work effectively as a team member. Specific work projects will be conducted in a manner that will give the student broad exposure to policing functions.

PROGRAM OBJECTIVE

The objectives of the PEACE program are two-fold:

1. To provide participants with a greater understanding of the nature of police work; assisting them in making informed decisions about policing as a potential career choice.
2. To develop partnerships with First Nations and gain improved understanding of First Nation youth and their concerns.

SCHEDULING

The detachment commander or designate, in consultation with the participant, will coordinate the PEACE student's duty schedule.

PROGRAM MANAGEMENT

The PLT PEACE Coordinator will coordinate this initiative with oversight delegated to the WR PLT Sergeant. The Ontario Provincial Police will host the work experience location, while the participating First Nation Administrative office will be responsible for allocation, timesheet processing and issuing of financial resources. Student placement remuneration will occur as a part of the local First Nation administered summer student work program.

CANDIDATE QUALIFICATIONS

- At least 18 years of age at start of program (exceptions can be made-pending individual)
- Currently enrolled in secondary or post-secondary study
- No criminal conviction for which a pardon has not been granted

CANDIDATE SELECTION PROCESS

Participating First Nation Band Councils and Student Employment Coordinator's in cooperation with the PLT PEACE Coordinator, will solicit applications from interested youth. Qualified applicants are then invited to attend a selection interview, conducted by the PLT PEACE Coordinator and Student Employment Coordinator. Selection of the successful candidate will be based on a combination of the resume submitted and the personal interview.

Note: A previous P.E.A.C.E. student may compete and be accepted, but, priority may go to an appropriate candidate who has not previously been involved in the program.

SKILLS TO BE TAUGHT & EXPERIENCED

The specific skills to be taught and experienced during the summer will include:

- Time management
- Goal setting
- Presentation skills
- Interview skills
- Team work
- Effective communication skills
- Sensitivity to the cultural diversity of the community
- Awareness of crime and the impact on the community
- Environmental concerns their impact on public safety

Koolamalsi,

Nii Diishunzii Zhahwunowayway, Wiixcheew Duloongomeew, Mide waak Lunaapeew Quay, Nii Noonjiiyaay Naahii. My spirit name is Sound of the Sound Wind, my English name is Celeste, I am wolf clan and both Lenape/ 1st Degree Midiwiwin. I just gradated from FNTI's Social Service Worker program this month and accepted the position of Family & Community Development Coordinator. I am excited to be back in my home again and so are my three not so little ones. I am curious to see what your family's want to participate in and I encourage you to write down suggestions in my office door mail slot at the Day Care Centre. I would also love to integrate more cultural family/parenting teachings within programming, as well begin regalia work earlier and provide Pow Wow dance lessons. Look out for our upcoming events in the calendar!

My goal for a career is to help educate both our people and Canadians about our true history, while reconnecting to our traditional teachings. I truly love our people and want to help anyway I can, my door is always open, I hope to see you around.

Laapu-chkuneewal !

Anishinaabe
from
Wikwemikong

Richard (Animkee-Aankwod) is actively involved in the preservation of his culture and traditions and is a fluent Anishinaabemowin (Ojibwe) speaker. He has worked with Aboriginal people struggling with the justice system and has worked inside Community Corrections facilities. Richard had endured many difficult life situations and he openly shares these experiences, his acquired knowledge and his wisdom through his personal story of spiritual development. Although Richard is familiar with many modalities of Traditional Healing, he is most often called upon to create a sacred space and facilitate spiritual ceremony, communicating with our ancestors and assisting people to find their original connections to creation.

During your first call and
visit, be prepared to complete
some intake work. Bring your
OHIP card and other
identification.

It is ceremonial protocol to
bring tobacco with you when
visiting Traditional Healers.
We recommend a small
handful (enough to fill the
bowl of a pipe).

A helper will be present at all
visits with visiting healers/
elders through SOAHAC's
outreach services.
