Autumn Fires

"In the other gardens
And all up the vale,
From the autumn bonfires
See the smoke trail!

Pleasant summer over
And all the summer flowers,
The red fire blazes,
the grey smoke towers.

Sing a song of seasons!
Something bright in all,
Flowers in the summer
Fires in the fall! "

VOLUNTEERS ARE ALWAYS NEEDED!

Volunteers are an important part of a positive school experience. We value your time and expertise and would love for you to be a part of our educational day.

Opportunities are available to assist with our Snack Program, Reading with students, Home & School activities, etc.

If you are interested in being a volunteer at Naahii Ridge Public School, we would love to have you as part of our team. Please contact the school at 519.674.3173 or Jolene Whiteye, Delaware Nation Education Manager at 519-692-5551 for further details.

Dear Community Members,

We are fortunate to be able to offer a healthy snack program to all of our students through funding from the Ontario Student Nutrition Program. All students at our school are offered nutritious snacks including fresh fruit and vegetables daily. The snack program helps to promote proper nutrition and healthy eating and has many benefits for our students that often extend to their families.

To run efficiently, the student nutrition program relies on the kindness of volunteers and we are finding that we require assistance for:

- *Preparing fruits and vegetables for consumption by washing, slicing, dicing, and separating portions;
- *Distributing snacks to all participating students in a number of classrooms;
- *Clean up of food prep.

Volunteers are needed to assist daily between the hours of 8:30 am to 10:30 am. We appreciate any help you can give on any of the days the program runs.

For more information or to express interest in helping please contact the school Secretary Mrs. West or the Principal Mrs. Aubertin at 519-674-3173.

Sincerely,

K. Aubertin

Hiring Process for Poll Workers

Returning officers are responsible for recruiting poll workers for their electoral district.

In the first 7 days of the election cycle, returning officers can recruit up to 50% of the required number of election officers. During the same timeframe, candidates and political parties who endorsed a candidate in the electoral district at the previous electoral event can also provide names of potential poll workers to the returning officer. Once this 7-day timeframe is over, returning officers may solicit names from any other sources. Those interested in working as election officers must possess the necessary skills and qualifications, as listed above.

Ineligibility

As per the *Canada Elections Act*, the following individuals are not eligible to be poll workers: federal ministers and members of provincial executive councils; senators; sitting members of the House of Commons or of provincial or territorial legislative bodies; certain judges; a person who was a candidate in the last general election or in a by-election held since the last general election; a person who has served in Parliament in the session immediately before the election or in the session in progress at the time of the election; and a person who, within seven years before the proposed appointment, has been found guilty of any offence under the *Canada Elections Act* or the *Referendum Act*, or a regulation made under the *Referendum Act*, or under an *Act* of the legislature of a province, relating to provincial, municipal or school board elections.

**Richard
Assinewai**
Anishinaabe
from
Wikwemikong

Richard (Animkee-Aankwod) is actively involved in the preservation of his culture and traditions and is a fluent Anishinaabemowin (Ojibwe) speaker. He has worked with Aboriginal people struggling with the justice system and has worked inside Community Corrections facilities. Richard had endured many difficult life situations and he openly shares these experiences, his acquired knowledge and his wisdom through his personal story of spiritual development. Although Richard is familiar with many modalities of Traditional Healing, he is most often called upon to create a sacred space and facilitate spiritual ceremony, communicating with our ancestors and assisting people to find their original connections to creation.
