Season's Greetings from Eelūnaapéewi Lahkéewiit Chief & Council

Eelūnaapéewi Lahkéewiit Chief & Council

COMMUNITY BULLETIN

Unlicensed and Unregulated Cannabis Retailers (Dispensaries)

The Eelūnaapéewi Lahkéewiit Chief & Council are issuing this community bulletin regarding the unlicensed and unregulated Cannabis Retailers and Dispensaries in operation and those considering future operations.

On October 17, 2018 the Cannabis Act came into effect. The Cannabis Retailers and Dispensaries currently operating on reserves fall within the jurisdictional boundaries and regulations of those respective First Nations. At this time there is currently no legal framework for cannabis production and/or sales, these activities remain illegal and licensing requests will not be brought forward to Council until the framework is established.

On August 29, 2018 Eelūnaapéewi Lahkéewiit Chief & Council passed a motion prohibiting activities related to the production and/or sales of cannabis.

The following motion was issued by the Council on August 29, 2018:

MOTION NO. 05 SUBJECT: UNLICENSED CANNABIS DISPENSARIES

“That the Eelūnaapéewi Lahkéewiit Council hereby directs that there will be no unlicensed cannabis dispensaries within the Eelūnaapéewi Lahkéewiit territory (Moraviantown) until there are proper Tribal law and regulations in place.

Failure to comply will result in legal action.

This law and regulations will be in place prior to the legalization of recreational cannabis.”

This means that effective August 29, 2018 all cannabis dispensaries are subject to enforcement of warrants, seizures and charges by the Local Enforcement Services working in coordination with the Eelūnaapéewi Lahkéewiit Police Department.

There are serious public health and safety concerns along with unknown traffic trespassing onto our territory associated with cannabis use that must be addressed before we can even consider allowing the production and/or sales of cannabis to take place.

The Eelūnaapéewi Lahkéewiit 2019 Referendum Results:

Question 0.1	YES	NO
Do you support Licensed Recreational Cannabis facilities in our Community?	130	84

Question 0.2	YES	NO
Do you support Licensed Medical Cannabis facilities in our Community?	170	43

The results from the Community Referendum held June 1, 2019 positively supported both Licensed Recreational and/or Medicinal Cannabis facilities within the Eelūnaapéewi Lahkéewiit territory. A specific Task Force that will oversee the research on and not limited to the following:

- Business Commission
- Business Policies, Permits, Regulations, Licensing
- Health / Safety / Quality Standards

The Eelūnaapéewi Lahkéewiit Chief & Council will NOT be held responsible or assume any liability resulting from these unlicensed and unregulated Cannabis Retailers and Dispensaries

NOTICE RESIDENTS-SNOW REMOVAL PUBLIC WORKS DEPARTMENT

The Public Works Department will be providing the SNOW REMOVAL SERVICE again this year (2019/2020).

The waiver forms for the removal of snow during the winter season must be filled out, before any snow removal services will be provided and forwarded to the Public Works Department.

The forms will be provided in the Bi-weekly Newsletter along with the Snow Removal Policy.

The Administration office is closed during the Christmas Holidays for two weeks.

DUE DATE: WEDNESDAY DECEMBER 18/2019 (after this date we will no longer be excepting waiver forms).

Anushiik and Happy Holidays

SNOW REMOVAL POLICY

Eelūnaapéewi Lahkéewiit (Delaware Nation) Council

SNOW REMOVAL POLICY

During snow and ice conditions, many people call requesting for snow removal. The following is the Eelūnaapéewi Lahkéewiit Council's policy on snow removal.

1. INTRODUCTION

In the best interest of the Members, the Eelūnaapéewi Lahkéewiit Council assumes the basic responsibility for control of snow and ice on its roads. Reasonable ice and snow control is necessary for routine travel and emergency services. The Eelūnaapéewi Lahkéewiit Council and its Administration, through its Public Works Department, will provide such control in a safe and cost effective manner, keeping in mind safety, budget, personnel and environmental concerns. The Eelūnaapéewi Lahkéewiit Administration will use Public Works departmental employee(s) and/or equipment to provide this service.

2. WHEN WILL THE PUBLIC WORKS DEPARTMENT START THE SNOW REMOVAL OPERATIONS?

As snow and icy conditions vary by the day of the week and the hour of the day, the Public Works Superintendent will identify the appropriate resources and equipment to deal with the winter weather situations.

Depending on how wide spread and intense the storms are, the Public Works Superintendent may need to continually adjust to achieve the most benefit of its available resources and equipment.

The Public Works Manager and Superintendent will decide when to begin snow removal operations. The criteria for that decision are:

- A. Snow accumulation of 2 inches or more;
- B. Drifting of snow that causes problems for travel; and
- C. Icy conditions which seriously affect travel.

Snow and ice control operations are expensive and involve the use of limited personnel and equipment. Consequently snowplowing operations will not generally be conducted for snowfall of less than 2 inches.

3. PRIORITIES SCHEDULE FOR SNOW REMOVAL

The Eelūnaapéewi Lahkéewiit Council and its Administration will make every effort to ensure that all roads within the Eelūnaapéewi Lahkéewiit territory remain passable for emergency vehicles throughout the snow removal period. This is always the first priority.

The second priority is the Eelūnaapéewi Lahkéewiit parking lots providing access to its buildings for its programming and services.

The third priority is the driveways for citizens aged 55 years and older.

The fourth priority area is the parking lots for other buildings; and its rental units.

The fifth priority area is community household laneways.

Please note: It is virtually impossible to clear parking spaces in parking lots while cars are parked there.

4. WEATHER CONDITIONS

Snow removal operations will be conducted only when weather conditions do not endanger the safety of employee(s) or equipment, and operations are effective. Factors that may delay snow and ice control operations include: severe cold, significant winds, limited visibility and rapid accumulations of snow and/or ice.

5. USE OF SAND, SALT AND OTHER CHEMICALS

The Eelūnaapéewi Lahkéewiit Public Works department will use sand, salt, and other chemicals when there are hazardous ice or slippery conditions. However, the Eelūnaapéewi Lahkéewiit Council is concerned about the effect of such chemicals on the environment and will limit its use for that reason. Even after reasonable care, snow and ice may still build up.

6. EMERGENCY SITUATIONS

For emergency vehicles responding to emergency situations (fire, medical, police) within the Eelūnaapéewi Lahkéewiit territory, or Fire Department/Police Department jurisdiction, necessary employee(s) and equipment will be dispatched as soon as possible.

During an especially concentrated storm, it may be necessary to continually return to plowing the roadways and that the areas lower on the priority list may have to wait until the storm subsides.

7. DAMAGE TO PERSONAL PROPERTY

Damage to trees, shrubbery, other landscaping and mail boxes will not be considered for compensation.

Damage to personal vehicles will be considered only if they are legally parked and only if physically contacted by equipment.

8. PRIVATELY OWNED BUSINESS ENTERPRISES

There shall be no plowing of driveways and/or parking lots of privately owned businesses.

9. WHAT YOU SHOULD NOT DO

- Do not clear your driveway until after your road has been plowed. This will reduce the amount of snow that the plow leaves as it passes your driveway.
- Do not shovel or put snow from driveways into the roadway as this creates a hazard for other drivers.
- Do not place garbage bags, trash, etc. on roadways or along the edge of the roadway.

The Eelūnaapéewi Lahkéewiit Council is committed to providing the best service possible. As mentioned, a lot of problems are uncontrollable: the duration of the storm, the amount of snow, equipment failures and fatigue all hinders the process.

The Eelūnaapéewi Lahkéewiit Council and its Administration Anushiik for your patience and cooperation.

2019-2020 Snow and Ice Removal

During the winter season, snow and ice removal will be conducted by the Eelūnaapéewi Lahkéewiit Public Works Department in accordance with the "Snow Removal Policy" dated November (2017) (Attached)

During an especially concentrated storm, it may be necessary to continually return to plowing the roadways and that the area lower on the priority list may have to wait until the storm subsides."

The priority list of snow and ice removal will be as follows:

- Roads within Eelūnaapéewi Lahkéewiit Territory
- Eelūnaapéewi Lahkéewiit Buildings
- Seniors (medical)
- Seniors (65 and older)
- Seniors (55-64)
- Band Rental Units
- Other Community household driveways

Your understanding, patience and cooperation are most appreciated. Anúshiik.

- Public Works Department

In order to continue with this COMPLIMENTARY SNOW REMOVAL, please return the bottom portion to the Administration Office.

Eelūnaapéewi Lahkéewiit (Delaware Nation) Complimentary Snow Removal Service

WAIVER

I _____ hereby request Eelūnaapéewi Lahkéewiit to clear snow from my driveway subject to the following:

I understand that the service is complimentary and is subject to the availability of employees and equipment to perform the service.

I have been duly informed that injury or damage can occur in the process, including but not be limited to damage to my driveway or objects in or near my driveway. I understand that Eelūnaapéewi Lahkéewiit will use best efforts not to incur injury or damage to my property, but I accept all liability for any injury or damage in consideration of the complimentary service.

I understand the risks, known and unknown, including risk of injury or damage, but knowing those risks, it is my desire to utilize Eelūnaapéewi Lahkéewiit complimentary snow removal service.

I assume all risks and hazards, known and unknown, and I agree to release and discharge Eelūnaapéewi Lahkéewiit Council, its agents, employees, successors and assigns and all other persons associated with the snow removal service from liability for any injuries, claims, costs and damages arising out of, or related to, the complimentary snow removal service, howsoever caused.

I fully understand this waiver and I am aware that this is a release of liability in favour of Eelūnaapéewi Lahkéewiit (Delaware Nation) Council and others and I sign it of my own free will.

Eelunaapeewi Lahkeewiit Training and Employment Department

History of Program: Through the Federal Government the London District Chiefs were able to negotiate an agreement through what is now known as Service Canada to deliver employment and training programs at the First Nations level. Recently this agreement has been renewed and is now known as the Indigenous Skills and Employment Training Program (ISETP). Many of the elements of this agreement have remained the same with the end goal to provide long term employment to their membership.

Program Goals and Objectives:

- Overall objective as an ISETP Sub Agreement holder is to help improve the employment opportunities of Delaware Nation members and enable them to fully participate in the First Nation and mainstream labour market.
- Deliver programs and services to eligible clientele in compliance with the ISETP funding agreement.
- Offer a warm and welcoming environment through an Employment and Training Centre to Delaware Nation members which would offer services to assist in their achieving goals for full time, long term employment,
- Act as a catalyst to assist client on their journey to obtain meaningful employment by providing labour market information, creating partnerships that would benefit their goals and offer several opportunities for client to gain new skills.

Services Offered:

- Employment Counseling services are offered by the Employment and Training Coordinator and through a partnership with the Chatham Goodwill Career Counseling Centre. Employment Counselor. Ms. Kim Gamage is available every Wednesday from 9:30 to 1 p.m. and is available to assist you with your resume, cover letter, job search, developing career plans, discuss your career goals and help you set a path to achieving your goals as well as discuss other opportunities.
- Job Referrals: As part of your job search you are more the welcome to come and discuss your job search goals and as opportunities come available that may be of interest to you, we would be more then willing to call you and let you know when opportunities come available.

- We have recently upgraded the Computer lab with up to date computer system which is available to you to assist in your job searches as well as obtaining information your may require.
- Faxing Services, copying services for small documents and printing services are available as well as use of phone for job search purposes only.
- Provide a bi-weekly job board in the community newsletter with job posting within the Chatham/Kent, Sarnia, Windsor, London areas. Complete Job Descriptions can be seen at the Training Centre in the Job Board Book on the resource table. Any posting that come in before next job board goes out and have a closing date which end before next newsletter are posted in the lobby at the training centre.
- Through a partnership with the Lambton Kent District Board of Education we can provide Academic Upgrading Service to people interested in obtaining their grade 12. We are fortunate to have Lori Sheppard here at the training centre every Monday and Thursday between the hours of 12:30 & 4:30 to assist our members. You can come in register, do a short assessment if you are new and begin working on your upgrading. You are more the welcome to do your work here or take it home. Lori is also available to work with you on a one on one bases in not just upgrading but also computer training, online course etc. Please feel free to come in and talk with her about all the services she has to offer.
- Twice a year we like to reach out to the community to hear from you about training, workshops etc. we would like to offer and if there is an interest, we work on putting these sessions together. When you see these questionnaires come out in the newsletter please if you are interested respond right away. If we do not hear or see interest in their courses, workshops etc. we do not proceed in offering them.
- We are presently working in partnership with other First Nations, the LHIN and possibility Visions of Harmony or Goodwill Career Centre and the St Elizabeth Health College to offer an Aboriginal specific Personal Support Worker Certificate Training Program. We are just in the planning stages now and will probably look at offering the in April 2020.

We have funding available to assist clients in achieving their long-term goals and hopefully will have available information brochures which outline the various programs available also with program criteria and what you will be required to provide to access the funding.

You are more the welcome to come to the centre to obtain labour market information, ask questions, get assistance in developing a career plan or just drop in for a smile, the cookie box is always open and the candy dish is always available, just don't eat them at the computers.

Ever wanted to travel the world, explore new places, and grow your understanding for global indigenous culture and forestry? Well, then this is your chance.

The BC First Nations Forestry Council, in partnership with the Jane Goodall Institute, Stratosphere International, and Global Affairs Canada are now accepting applications for the 2020 International Aboriginal Youth Internship.

This is a 3 month work placement in Uganda, Africa from May to August 2020 with all expenses paid.

Who can apply?

- Aboriginal Canadian Youth, ages 19-35
- Must have completed High School or equivalent
- Must have or be able to acquire a passport (prior to departure)

What would you be doing over there?

The International Aboriginal Youth Internship (IAYI) provides an opportunity for Indigenous Youth to work on diverse projects in environmental and community sustainability and Indigenous forest conservation that could be applied in your community.

All costs are covered for selected applicants.

- Community development activities
- Participate in sustainable programs in local schools and community-based organizations
- Share Indigenous cultural knowledge

- Gain valuable and employable skills
- Increase understanding & knowledge of international relations
- Work collaboratively with local community partners

Roots & Shoots

VIEW LESS -

Source: Jane Goodall Canada (<https://janegoodall.ca/our-work/roots-and-shoots/>)

Jane Goodall's Roots & Shoots began in 1991 when Dr. Jane met with 12 Tanzanian high school students who wanted to tackle urgent problems in their community. Since that meeting, Roots & Shoots groups have multiplied many times over and can now be found in 50 countries around the world. Wherever there's a group, young people are making changes that benefit people, animals and the environment.

Through Jane Goodall's Roots & Shoots program, youth become part of the next generation of community leaders, as they explore their communities, identify environmental problems and take action.

Through experiential learning that promotes leadership skills, team building and critical thinking, Roots & Shoots equips young people to become agents of community change.

Jane Goodall's Roots & Shoots is a four-step experiential program that gives students a comprehensive understanding of sustainability, increased confidence, problem-solving abilities, leadership skills, and opportunities to collaborate with others to achieve a common goal.

Interested? Here is how to apply:

Motivational Life Skills Workshop

with

Diane Forbes
Motivation Through Inspiration

Date: Tuesday, January 14, 2020

Time: 5:00pm-8:00pm

Location: DN Community Centre

Goal Setting Vision Board

This exciting workshop will help inspire you to discover your pathway to self empowerment for your goal setting success. You are the writer, producer and director of your life! Every day is an opportunity for new beginnings, focus on the positive and live the life you've imagined!

"If you can DREAM it and BELIEVE it, you can ACHIEVE it"!

Transform a piece of art board into an inspirational creative masterpiece with a collage of pictures, motivational affirmations poems and write the goals you would like to have in your life. By hanging this vision board art as a self help tool in your home, you will be able to remind yourself about your goals, hopes and dreams inspiring making them a reality.

Call the Health Centre to register @ (519) 692-3969
