March 16, 2020

The Eelunaapeewi Lahkeewiit Chief and Council are taking Covid-19 seriously. All precautionary measures are being reviewed to ensure the health and safety of our community members. At this time there are no confirmed cases of Covid-19 in our community.

We will provide updates through flyers and through the community's radio station, The Buck 104.3.

To date the following has been implemented:

1. Health Centre to develop and implement a pandemic plan for individuals and the community;
2. Director of Operations to develop and implement a plan with senior managers on how office will be maintained during the next 3-week period;
3. Develop a plan for seniors for delivery of supplies and household goods;
4. Council to suspend all travel for staff;
5. Moravian Day School/Early Learning Centre to be closed effective from March 16, 2020 to April 3, 2020, inclusive. This closure is the result of the Coronavirus and mirrors the closures of all Ontario Schools;
6. All internal and external events and programming will be postponed.

Please note that Chief and Council travel has also been suspended.

Currently, Administration and Programming Offices are operational, and will be open Monday – Friday from 8:30am – 4:30pm. We are asking everyone to refrain from coming into all buildings, unless urgent, and to call ahead prior to any visit.

Any clients, guest or vendors visiting the offices during this time who show signs of sickness may be asked to reschedule their visit to a new time.

Every Monday these directions will be reviewed and further updates will be posted.

We are asking that everyone to call, check in and help your elderly family, friends and those needing extra assistance. The best advice is washing your hands with soap and water regularly.

A health information package will be distributed.

Denise Stonefish, Chief
