## **Fibre Optic Update**

The Eelūnaapèewii Lahkèewiit Chief and Council are pleased to inform the community that we are making progress on our Fibre Optic project!

As we are in very early stages, technicians from TekSavv/Entegrus will be visiting different locations in the community to take measurements and photographs to support the development of our fibre optic infrastructure.

Eelūnaapèewii Lahkèewiit Councillor, Sherry Huff, has been selected to lead the fibre optic initiative for Council.

She will work to answer your questions about this early stage of the project. You can reach her at [sherry@huffmedia.ca](mailto:sherry@huffmedia.ca), or by cell, 519-401-5166.

**You will also have an opportunity to provide your thoughts, and ask questions at a community meeting. The date for that meeting will be announced once project details are confirmed.**
