### REMINDER

Nov 4, 2018 - Daylight Saving Time Ends

In Memory of Stanley Lorne Noah  
August 17, 1936—November 6, 2017

A limb has fallen  
From the Family tree  
But PLEASE  
DO NOT GRIEVE  
For me.  
Remember  
The best times,  
The laughter, the song,  
The good life I lived  
When I was strong.

Forever loved and deeply missed  
Your family and friends

*Adopted November 23 2017*

IN FLANDERS FIELDS

*by: John McCrae*

In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders fields.

Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.

**Things of Interest:**

- Tech Trailers:** is a medium sized truck and trailer repair facility in London who employ general labors who are interested and willing to commit to an apprenticeship in diesel mechanic 310T or trailer mechanic 3100. They would be very interested in discussing a wage subsidy program with the Delaware Nation if we have a person interested in working with them. This is an alcohol, marijuana free workplace. If this is something you may be interested drop in to the Training Centre to discuss further.
- Summer Jobs for Students:** Start looking for summer jobs as early as January 2019. Many positions with government and other sectors start position summer employment jobs that early

# 11 tips on safe winter driving

## 1. Create a 'survival kit'

Your survival kit should include items such as: gloves, booster cables, small shovel, windshield wiper fluid, first aid kit, torch, snow brush, candles, safety vest, water bottles and non-perishable energy foods.

Put the kit in the trunk of your car

## 2. Check weather and road conditions often

Choose the route you'll take ahead of time and check the weather forecast to make sure you know what to expect before you hit the road.

## 3. Keep a safe distance behind snow plows

If you find yourself behind a snow plow, maintain a safe distance. Snow plow drivers do not always have the best visibility and can create clouds of snow that can reduce your visibility, as well.

## 4. If you don't already have them, get winter tires

They provide better traction, handling and braking and can shorten your braking distance by as much as 25 per cent. All-season tires are not the same as winter tires. They lose their grip when the temperature dips below 7 C.

Drivers with winter tires are also eligible for an insurance discount starting Jan. 1, 2016.

## **5. Slow down and give yourself extra travel time**

This one might be obvious — but it's important. Drive according to the road conditions around you and don't rely on the estimated time of arrival your GPS gives you.

## **6. Clear snow and ice from your vehicle**

Make sure you clean all windows, mirrors, lights and the roof. Wait for any foggy windows to clear up so your visibility isn't poor.

## **7. Wear comfortable clothes**

It's a good idea to layer up in the winter time, but having too many layers can restrict your movement and make it difficult to check your blind spot.

## **8. Keep a full gas tank**

It can help reduce moisture in the fuel system and also adds extra weight to your vehicle to slow it down.

## **9. Keep OPP numbers handy and travel with a fully-charged cellphone**

The non-emergency number for the OPP is 1-888-310-1122. For provincial highway conditions, go to [www.ontario.ca/511](http://www.ontario.ca/511) or call 511.

## **10. Avoid using cruise control on slippery roads**

It's easy to lose control of your vehicle in bad weather if you rely on cruise control.

If driving conditions are really bad, or in the event of a serious ice storm or blizzard — just avoid driving altogether.

## **11. Figure out the best way to recover from a skid for your vehicle**

How your vehicle responds to a skid depends on whether or not it has rear wheel, front wheel or four wheel drive. If your vehicle has an anti-lock braking system (ABS), learn how to use it correctly.

## Halloween Safety Tips!

Wishing you a safe  
and happy Halloween

Remember to be safe this Halloween.

Follow some of these general

tips to help make sure it is a fun time for all.

Happy Halloween!

**HALLOWEEN SAFETY TIPS**

- Choose a costume that is made of flame-retardant material.*
- Add reflective tape to the costume or bag your child is using to carry candy.*
- Always make sure children are accompanied by an adult when trick-or-treating.*
- Stick to trick-or-treating in well-lit homes in familiar neighborhoods.*
- Tell children not to accept anything that isn't commercially-wrapped.*
- Children should wear well-fitting, sturdy shoes.*
- Make sure masks fit securely and provide adequate vision and ventilation.*
- Keep candles and jack-o-lanterns away from landings and doorsteps where costumes could brush against the flame.*
