# **Eliminating Red and White Health Cards**

It is being advised that anyone who still carries an old red and white health card should plan to replace it with a secure photo health card before July 1, 2020. After July 1, 2020, these cards will no longer be accepted for Ontario Health Insurance Plan (OHIP) services.

Photo health cards can easily be obtained for free at ServiceOntario by:

- Bringing the right original documents:
  - proof of Canadian citizenship or OHIP-eligible immigration status (Canadian passport, Canadian birth certificate or permanent resident document);
  - proof of residency in Ontario (valid Ontario driver's licence; bank statements) and;
  - proof of identity (Certificate of Indian Status, credit card or utility bill);
- Completing a Health Card Re-Registration form ahead of time or by getting one at ServiceOntario; and
- Visiting a ServiceOntario centre.

There is no cost or fee to switch to a photo health card. So, everyone needs to get an updated photo health card.

Regardless of an individual's health card status, Ontario's public hospitals cannot refuse to provide services to a patient who is faced with a life-threatening medical emergency.

Red and white card holders who do not convert by July 1, 2020, may be asked to pay up-front for insured health services. Once a photo health card is obtained, eligibility for Ontario health insurance is restored and any payments made for OHIP-insured health services will be promptly reimbursed once a valid health card is provided.

# RIDGETOWN DISTRICT HIGH SCHOOL

## Student Examinations Regulations and Schedule

January 2020

### Exam and Final Evaluation Considerations:

Five days are allocated at the end of each semester for the scheduling of formal exams and other final evaluations. This includes an allowance for inclement weather. Each school year these dates are clearly indicated (with an "E") on the LKDSB School Year Calendar which is posted online. Each secondary school will communicate its final exam schedule prior to the exams beginning by posting the schedule throughout the school and on the school website. The exams will be conducted in accordance with the Ontario Education Act, associated Regulations, and Ontario Schools 2016. They will also be implemented in accordance with the LKDSB Policies on Attendance and the current LKDSB Assessment and Evaluation Guidelines. If a major cultural or religious holiday occurs during an exam period, then LKDSB Senior Administration will provide direction to Principals.

**Absences:** All students are expected to write all of their final exams and other evaluations. Sometimes there are exceptional circumstances which may necessitate the rescheduling of a student's final exam (see approved absences below). Only the school Principal or their designate can approve an absence or rescheduling date during the scheduled exam days.

Approved Absences ✓	Non-Approved Absences ✗
✓ bereavement	✗ family vacations or weddings
✓ legal matters (as supported by court documents)	✗ sporting events
✓ student's personal illness – supported by a medical note	✗ early exit to seek employment, mission trips or summer camps
	✗ any other circumstance not listed in approved absences

**Notification Process:** Any student (18 years old and over), or the parent/guardian of student under the age of 18, who may be absent from an exam should contact the school Principal as soon as possible prior to the scheduled exam date and time and provide documentation as may be requested. Any exceptional circumstance that might result in a request for the rescheduling of a final exam should be submitted to the school Principal at least two weeks prior to the scheduled exam date and time.

All efforts will be made to reschedule an exam (by 2:30 on the last scheduled day of exams) if necessary. Any absence from an exam for any reason that has not been approved by the school Principal can result in a mark of zero and could impact negatively on credit achievement and graduation requirements. Teachers, in consultation with their Principal, will use their professional judgement in establishing a final course mark for students.

\*\*\*\*\*

**Buses:** Buses run at regular times, although they tend to leave early after school, because so few people are on the buses. It is best to arrange rides so you can go home and study. Eelūnaapéewi Lahkéewit buses are tentatively scheduled to leave at 11:30 a.m.

**Exam Materials:** NO books, papers, or calculators should be taken into the exam room unless authorized by your teacher. Cell phones, iPads, music devices, etc. are not allowed. Any form of cheating will result in a mark of zero for the exam.

**Cafeteria:** The cafeteria will be closed during exam days. **The last day the cafeteria will be opened is Thursday, January 23<sup>rd</sup>.**

### Weather Policy:

**R.D.H.S. IS LOCATED IN ZONE 6**

Listen to the radio (CFCO/CKSY). If the buses are not running, the exams are cancelled for that day. Any exams that are cancelled because of weather will be re-scheduled to the next school day. The exams to follow will also be delayed one day and will run according to the exam schedule.

If there is a fog day the buses will be delayed by 2 hrs and the exams will start 2 hours later.
