The Government of Canada is continuing to improve the financial security of Canadians in retirement after a lifetime of hard work by increasing Old Age Security for older seniors to help with their extra financial needs.

#### ONE-TIME PAYMENT FOR OLDER SENIORS AND OAS INCREASES

#### WHAT'S NEW

The Federal Government is increasing the OAS pension for seniors aged 75 and over as part of Budget 2021. The increase will be implemented in two stages:

- A taxable one-time payment of \$500.00 in August 2021 to seniors who are 75 and over as of June 30, 2022; and
- A permanent 10% increase to the monthly OAS pension for seniors aged 75 and over, beginning in July 2022.

The purpose of the one-time payment is to meet the immediate needs of OAS pensioners aged 75 and over until the permanent increase to their pension is implemented in July 2022. **No action is required by seniors, who will automatically receive the payment if they are eligible**. You will find additional information that may be helpful at: <a href="https://www.canada.ca/en/services/benefits/publicpensions/cpp/old-age-security/one-time-payment-older-seniors.htmt">https://www.canada.ca/en/services/benefits/publicpensions/cpp/old-age-security/one-time-payment-older-seniors.htmt</a>

Additionally, in July 2021, the OAS benefit will automatically increase 1.3% for all seniors, bringing the maximum monthly OAS pension amount to \$626.49, up from \$618.45.

#### **PAYMENT DETAILS**

Notification letters will be mailed out to eligible pensioners starting early July advising of the payment that will be issued the week of August 16, 2021. The one-time payment will be issued in the same manner as the recipient's OAS monthly benefits, but will be sent as a separate direct deposit or paper cheque.

The one-time payment for older seniors is taxable for income tax purposes, but will not be considered income for determining entitlement to income-tested benefits (i.e. Guaranteed Income Supplement, Allowance or Allowance for the Survivor benefits).

## Education Department

#### Release of Information Forms

It's that time of year again, as we gear up to start another School Year. The 2021-2022 Release of Information Forms will go out early this year, so our parents have time to fill it out and drop it off at the Education Office before the new school year begins. These help us access information from their school for our students so that we can better attend to their needs. We also use these forms to include students in future incentives and events that our office would be planning. Please ensure that the person that is in the care of the child fills out and signs the form. While it is helpful for a relative to complete and sign these forms, we will not be able to advocate on a child's behalf if the form isn't signed by the parent or guardian. Release of Information Form Attached.

## EENDA LIXSIING (WHERE WE SPEAK THE LANGUAGE)

We are looking to have four more learners join our group of immersion students at Eenda Lixsiing.

More information to come.

The Education Office is assisting the schools in retrieving loaned devices. Any families that haven't had a chance to return any LKDSB iPads, internet hubs or Chromebook's are welcomed to

drop these off at the Education Office during business hours; 8:30am-4:30pm. Or if you would prefer that we pick them up, give us a call at the office: 519-692-5551.

#### ÉENDA AKEHKIIMÚNJIIK

For anyone who still needs to register their child for the upcoming School year a registration will be held on Wednesday, August 25<sup>th</sup> 2021 at the Kindergarten. Please contact the school to make an appointment. (We will also be taking registrations at the Back-to-School event).

We would like to thank Shannon O'Neil for the donation to Éenda Akehkiimúnjiik of \$130 back from the orange shirts we designed for our Kindergarten kids this upcoming school year!

#### COVID VACCINES FOR STUDENTS 12 & UP

CK Public Health, schools and school boards are working hard to make sure everyone returns to a safe school environment in September. By working together, we can reduce the number of cases of COVID-19 in our community and our school, as well as the possibility of School closures.

To be fully vaccinated before School starts, students need two doses of the vaccine at least 28 days apart. All students over the age of 12 who have not received a first dose should get one as soon as possible. Students who got a first dose at least 28 days ago should get a second dose now. It takes time to build immunity therefore, it is best to receive a second dose of the COVID-19 Vaccine 10-14 days before the first day of School. <a href="https://www.ckpublichealth.com">www.ckpublichealth.com</a>

#### Return to School & Rules Regarding COVID-19 & Vaccinations

**Two-dose Immunization:** Toronto's top doctor has said that fully immunized students and staff will have little interruption from School or work if exposed to a "high risk" carrier of the virus and test negative for COVID-19.

**Unvaccinated:** Immediately isolate for minimum of 10 days requiring two negative COVID-19 tests, 7 days apart before returning to school. If positive on day 7, you are off for another 10 days, totaling 20 days out of School.

The Ontario Government is urging students/staff to get vaccinated come September. The province is working to finalize the plan.
