Eelünaapéewi Lahkéewiit

Wiingu-néewEénda-Lunaapeewáhkiing -Welcome to the land of the Delaware's

Attention Hunters

Please be aware of your surroundings when hunting near First Nation property and/or near homes within the community. There is a high potential for serious injury to our people due to stray bullets if hunters are out during the day time.

Our Early Learning Centre, Day School and Playground programs are all affected by gun noise during working hours. It is now necessary to implement safety protocols to ensure the protection of our young people.

> Thank You Chief & Council

HAPPY LABOUR DAY

OFFICE CLOSURE

ALL BUILDINGS WILL BE CLOSED ON MONDAY SEPTEMBER 6TH, 2021

REGULAR BUSINESS HOURS WILL RESUME TUESDAY SEPTEMBER 7TH, 2021 @ 8:30

Eelŭnaapéewi Lahkéewiit Council

COMMUNITY BULLETIN

CANCELLED -- 2021 Annual Pow Wow

Once again, the COVID-19 pandemic has prompted the Council to CANCEL Eelŭnaapéewi Lahkéewiit's 2021 Annual Pow Wow that would have been scheduled for September 4 & 5, 2021.

It is a "difficult decision" as this will be the second year in a row that we have had to cancel this cultural event that looks to bring the community together socially to connect with family. However, our Annual Pow Wow is open to the larger general public and the COVID-19 virus continues to threaten the health and safety of our community members and approved residents.

With the province relaxing its gathering restrictions on August 3, 2021 and the Canada/US border opening to US citizens, there has been an increase in both Covid-19 virus and the Delta variant. Therefore, resulting from the uncertainty and the severity of potential exposure from non-residents entering the community, it is felt that the Pow Wow could not be held "safely and responsibly" this year.

The Eelŭnaapéewi Lahkéewiit Council's priority continues to be the health and safety of the community members and approved residents.

Eelŭnaapéewi Lahkéewiit's 2021 Labour Day Annual Pow Wow

is officially

CANCELLED

August 13, 2021

Special Notes and Updates:

- If interested in applying for any positions for upcoming Federal Election go to Elections Canada website and follow instructions on how to apply on-line.
- If interested in entering into jobs in Trades, see attached information provided and register to attend the Tools of the Trades Boot Camp. Excellent opportunity to meet with employers looking to hire apprentices and also learn more about trades that my interest you and learning more.
- The Government of Canada will be extending COVID-19 support measures. These extensions include:

- Extending the eligibility period for the Canada Emergency Wage Subsidy, the Canada Emergency Rent Subsidy and Lockdown Support until October 23, 2021 and increasing the rate of support employers and organizations can receive during the period between August 29 and September 25, 2021
- Extending the Canada Recovery Benefit, the Canada Recovery Caregiving Benefit and the Canada Recovery Sickness Benefits until October 23, 2021
- Increasing the maximum number of weeks available for the Canada Recovery Benefits by an additional 4 weeks to a total of 54 weeks at a rate of \$300.00 per week and ensuring it is available to those who have exhausted their employment insurance benefits.
- If interest in learning more about this or have questions please contact Viv Whaley, Service Canada at 519-890-1183 or by email at <u>viv.whaley@servicecanada.gc.ca</u>
- Phishing, what is it? Phishing is a type of cyberattack
 - It's a way hackers try to steal your money
 - Phishing refers to email scams in which hacker's pretend to be someone else in order to trick you into revealing your password
 - It's when someone from Cardholder Services calls you trying to get you to cough up your credit card number
- Phishing has recently been happening using job posting, waiting for you to apply for a job you may find on line which looks great and so you apply and what you have done is provide personal information that a hacker can use to contact you and offer you a job but require additional information (social insurance number, banking information etc.) When applying for job do your research to ensure you are applying for a real job and never give out your personal information by phone if you get a call from a companies Human Resource or Finance Department. If you get such a call, contact the employer directly to see if a job exists with the company and if the company us real. Sometimes hackers use real employer/company names but there are no real jobs. Some employers are adding the following warnings to some of their job posting:
 - Several companies recently became aware of a phishing scam involving con artists posing as hiring mangers recruiting via email, text and social media. The imposters are creating misleading email accounts, conducting remote interviews and making fake job offers in order to collect personal and financial information from unsuspecting individuals. Please note may companies only uses company email addresses, which contain "company name.com to communicate via email.

Companies also uses secure tools on their website to receive data from applicants and would never ask them to submit their personal banking information to apply for a job.

Lastly, this will be my last job board as I will be retiring at the end of this month. A BIG THANK YOU for giving me the opportunity to serve you in the area of Employment and Training for the past few years. I have sincerely enjoyed and it has been an honor working with many members of the community.

Home Employment Poll Workers Apply to work as a poll worker

Apply to work as a poll worker

Poll workers usually work in the riding where they live. However, you can apply to work in the riding of your choice. After you click on "Apply now", you will be able to select in which riding you would like to work.

The job application form is in the Voter Information Service. Entering your postal code will take you to the application form to work in the riding where you live. Other search options will let you select the riding of your choice.

It is a condition of employment that poll workers consent to disclosing to their returning officer if they experience symptoms of or test positive for COVID-19.

Education Department

KINDERGARTEN

Eenda Akehkiimunjiik (Where They Are Taught)

We are looking forward to starting classes on Tuesday, September 7 and will be following safety measures for the health of students and staff. Please refer to our information page attached.

For anyone who still needs to register their child for the upcoming school year, a registration will be held on Wednesday, August 25, 2021 at the Kindergarten. Please contact the school to make an appointment. (We will also be taking registrations at the Back-to-School event on August 31 at the Community Centre.)

Kindergarten: 519-692-5551, Cell: 519-401-9968

Back to School Event Tuesday Aug. 31, 2021 3-6pm

See flyer for more details

Release of Information Forms

Each year we ask that parents/guardians complete a Release of Information Form. These forms assist our office in accessing information from a student's school that will help us and their school to support their learning. We also use these forms to include students in future incentives and events that our office plan throughout the year. Release of Information Form Attached. If you need copies, more are available at the Education Office ©

Completed forms may be dropped off at the Education Office or the Back to School Event (August 31, Community Centre).

What dinosaur had the best vocabulary? The thesaurus.

Why did the teacher wear sunglasses to school? Because her students were so bright.

August 25, 2021

Schools Reopening

LKDSB Reopening and Operating our Schools

LKDSB elementary and secondary schools will reopen in September with a return to full-time, inclass learning with required COVID-19 safety measures. The LKDSB's plan for the return to school in September will provide a safe launch to the upcoming school year and reduce the opportunities for transmission of COVID-19. The plans incorporate the most current information from the Ontario Ministry of Education, Public Health, consultation with LKDSB educators and education workers, and our communities. The full reopening plan can be found at: <u>https://www.lkdsb.net/Board/covid-19/reopeningoperating-our-</u> <u>schools/Documents/LKDSB Reopening Operating</u> *Our Schools2021.pdf*

Stu wea

Students in Grade 1-12 are required to wear a mask at school and on busses. Students in kindergarten are not required to wear a mask, but it is strongly encouraged that they do so.

Covid-19 Pre-Screening; prior to attending school, all students, staff and visitors must complete and follow the directions of the daily Covid-19 School Screening assessment tool (attached).

Elementary In-person Learning

LKDSB students in Kindergarten to Grade 8 will attend full days, five days a week. Before the first day of school, families will be notified of their child's teacher and designated entrance door. Drinking fountains will not be accessible; however, water bottle filling stations are available.

Secondary In-person Learning

LKDSB is adopting a modified semester model. Students will engage in two courses per day, alternate weeks, for a full semester. EXAMPLE:

	Week A	Week B
Morning	Course 1	Course 3
Lunch		
Afternoon	Course 2	Course 4

Timetables will either be emailed directly to students or distributed at registration. Students will not be able to access lockers, cafeteria food and vening machines at the start of the school year Students will be permitted to leave the school premises for function

Virtual Learning

The Lambton Kent District School Board (LKDSB) is offering virtual learning for both elementary and secondary students for the 2021-2022 school year to support the diverse academic needs of students and families.

Elementary students will be registered as McNaughton Avenue Public School students and secondary students will be registered as Lambton Kent Composite School students. Students enrolled in the virtual elementary or secondary program will not be associated with their home schools. Erin Van De Wiele will be the contact for elementary students and Jim Keane will be the contact for secondary students.

Attendance will be taken daily. Students will have 225 minutes of live learning (synchronous) and 75[°] minutes of on-demand learning (asychronous) per day. Which means that a student will need to log onto their class the same time as their teacher for 225 minutes per day and they will have 75 minutes to work on assignments/activities as directed by their teacher.

NAAHII RIDGE PUBLIC SCHOOL 519-674-3173

EENDA AKEHKIIMŰNJIIK

We are so excited!

We are looking forward to opening the school on Tuesday, September 7 for the first day of school! Don't worry if you have not registered yet because we will be having registration at the BACK TO SCHOOL event on Tuesday, August 31! (don't forget your birth certificate and immunization record).

COVID rules will be in effect, so as much as we love seeing our parents we will ask that students and parents remain outside for drop off and pick up, although the bus will be running so this will be the preferred option to limit student contact while attending school.

We will also be taking temperatures upon arrival and ask that you check your child at home before sending them to school as well. Kindergarten students are not required to wear face masks but the school is set up to help distance students as much as possible. (Staff will also be taking temperatures.)

Students and staff will be encouraged to wash their hands regularly, practicing proper respiratory etiquette (such as sneezing into their elbow) and avoid touching their face, eyes, nose and mouth. Regular hand washing breaks will be incorporated in the school routine. Wall mounted and/or free standing hand sanitizing dispensers will be in place at entrances, exits, and in the classroom. Signage is placed at all sinks in schools to explain the steps for effective hand washing.

Any child or staff who experiences symptoms of illness while in school will be immediately separated from others and isolated. The school will notify parent/guardian immediately and they will be directed to pick up their child from school as soon as possible.

Parents/guardians should immediately inform the school if their child has tested positive for COVID-19 and will not be attending school. The school will notify the supervisor and health unit if confirmed or suspected covid case is reported. School cleaning will focus on high touch surfaces, which includes washrooms, eating surfaces, doors, light switches, etc. Hand washing and sanitization by students and staff throughout the day will also support the maintenance of a clean and safe school environment.

Recess will be as usual, hand washing before and after outdoor play will be added to school plan.

Students must bring their own food to school, not being allowed to share any food. Water bottles will be provided for the students and be set at their designated area avoiding using the water cooler. Teachers will fill these bottles before school and as needed.

For the first few months of the school year no field trips will be planned.

We are looking forward to a safe and happy school year!

Sincerely,

Angela Johnson

<u>Some of the more commonly reported symptoms</u> <u>include:</u>

- new or worsening cough
- shortness of breath or difficulty breathing
- temperature equal to or more than 38°C
- feeling feverish
- chills
- fatigue or weakness

COVID-19 school and child care screening

Version 5: May 31, 2021

Ontario 🕅

Students and children must screen for COVID-19 every day before going to school or child care. Parents/guardians can fill this out on behalf of a child.

Date (mm-dd-yyyy)

Screening Questions

1. In the last 14 days, has the student/child travelled outside of Canada? If exempt from federal quarantine requirements, select "No."	🗆 Yes	🗆 No
2. Has a doctor, health care provider, or public health unit told you that the student/child should currently be isolating (staying at home)? This can be because of an outbreak or contact tracing.	🗆 Yes	🗆 No
3. In the last 14 days, has the student/child been identified as a "close contact" of someone who currently has COVID-19?	🗆 Yes	🗆 No
4. In the last 14 days, has the student/child received a COVID Alert exposure notification on their cell phone? If they already went for a test and got a negative result, select "No."	🗆 Yes	🗆 No
5. Is the student/child currently experiencing any of these symptoms? Choose any/all that are new, worsening, and not related to other known causes or conditions they already have.		
Fever and/or chills Temperature of 37.8 degrees Celsius/100 degrees Fahrenheit or higher	🗆 Yes	🗆 No
Cough or barking cough (croup) Continuous, more than usual, making a whistling noise when breathing (not related to asthma, post-infectious reactive airways, or other known causes or conditions they already have)	🗆 Yes	□ No
Shortness of breath Out of breath, unable to breathe deeply (not related to asthma or other known causes or conditions they already have)	🗆 Yes	🗆 No
Decrease or loss of taste or smell Not related to seasonal allergies, neurological disorders, or other known causes or conditions they already have	🗆 Yes	□ No
Sore throat or difficulty swallowing Painful swallowing (not related to seasonal allergies, acid reflux, or other known causes or conditions they already have)	🗆 Yes	□ No
Runny or stuffy/congested nose Not related to seasonal allergies, being outside in cold weather, or other known causes or conditions they already have	🗆 Yes	🗆 No

- If you live in other areas of Ontario, siblings and other people in your household can go to school, child care or work, but must not leave the home for other non-essential reasons. Ask your school/child care for more information.
- Contact your school/child care provider to let them know about this result.

If you answered "YES" to question 4 do not go to school or child care.

- The student/child must self-isolate (stay home) and not leave except for a medical emergency.
- Visit an assessment centre to get them a COVID-19 test.
 - If they test negative (they do not have the virus), they can return to school/child care.
 - If they test positive (they have the virus), they can return only after they are cleared by your local public health unit.
- If they develop symptoms, contact your local public health unit or doctor/health care provider for more advice.
- Siblings or other people in your household can go to school, child care or work, but must not leave the home for other, non-essential reasons until the individual who got the COVID alert tests negative, or is cleared by your local public health unit.
- Contact your school/child care provider to let them know about this result

If you answered "YES" to any of the symptoms included under question 5 or question 6 do not go to school or child care,

- The student/child must isolate (stay home) and not leave except to get tested or for a medical emergency.
- If you answered "**YES**" to question 5, talk with a doctor/health care provider to get advice or an assessment, including if the student/child need a COVID-19 test.
- If you answered "YES" to question 6, the student/child can return to school or child care after the individual gets a negative COVID-19 test result, or is cleared by your local public health unit, or is diagnosed with another illness.
- Siblings or other people in your household must stay at home until the student/child showing symptoms or individual lests negative, or is cleared by your public health unit, or is diagnosed with another illness.
- Contact your school/child care provider to let them know about this result.

If you answered "NO" to all questions, your child may go to school/child care because they seem to be healthy and have not been exposed to COVID-19. Follow your school/child care provider's established process for letting staff know about this result (if applicable).

If the student/child received a COVID-19 vaccination in the last 48 hours and has mild headache. fatigue, muscle aches and/or joint pain that only began after immunization, and no other symptoms, they are to wear a properly fitted mask for their entire time at school/child care. Their mask may only be removed to consume food or drink and they must remain at least two metres away from others when their mask has been removed. If the symptoms worsen, continue past 48 hours, or if they develop other symptoms, they should leave school/child care immediately to self-isolate and seek COVID-19 testing. If the symptoms worsen, continue past 48 hours, or if they develop other symptoms, they school/child care immediately to self-isolate and seek COVID-19 testing.

Public Health Ontario – Contact Tracing

Answering these questions is optional. This information will only be used by Public Health officials for contact tracing. All information will be deleted in 28 days.
