*The Greater Essex County District School Board actively encourage applications from members of groups with historical and/or current barriers to equity, including, but not limited to:*

- *First Nations, Métis and Inuit peoples, and all other Indigenous peoples;*
- *members of groups that commonly experience discrimination due to race, ancestry, colour, religion and/or spiritual beliefs, or place of origin;*
- *persons with visible and/or invisible (physical and/or mental) disabilities;*
- *persons who identify as women; and*
- *persons of marginalized sexual orientations, gender identities, and gender expressions.*

*We recognize that many of these identities intersect and therefore, equity, diversity and inclusion can be complex. We value and respect the contributions that each person brings to enriching the Board and are committed to ensuring full and equal participation for all in communities that we serve.*

*We will make the necessary accommodations for applicants to support all aspects of the recruitment process. Please contact the Human Resources Department if you require assistance with any accommodations.*
