IN FLANDERS FIELDS

by: John McCrae

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

Help reduce the spread of respiratory viruses

Respiratory viruses increase in the fall and winter. This year, several respiratory viruses are circulating at the same time, including:

- ▶ COVID-19
- ▶ flu (influenza)
- ▶ respiratory syncytial virus (RSV)

Preventing the spread

Respiratory viruses spread in several ways. That's why using several layers of protection is the most effective way to help reduce your risk of getting and spreading viruses.

It's important to:

get your annual
flu shot

stay up to date
with your
COVID-19
vaccinations

stay home
when sick

wear a mask in
public indoor
settings

clean your
hands often

improve indoor
ventilation when
possible by
opening a
window or door

avoid touching
your face with
unclean hands

cover your coughs
and sneezes with
a tissue or the
bend of your arm

clean and
disinfect high-
touch surfaces
and objects
frequently

pay attention to
public health
alerts and advice
in your
community

PLAN TO GET YOUR FLU SHOT

Getting your flu shot helps save lives and helps our health care system by reducing the number of people who need medical care.

About the flu

- + The flu is very contagious and can spread quickly and easily.
- + Some people with the flu only get mildly ill. Others, like those over 65 years and young children, can get very sick.

Who should get the flu shot?

- + Everyone 6 months and older should get the flu shot. It's especially important for people at high risk of health complications from the flu and COVID-19, and for people who can spread the flu to them.

The flu shot is safe

- + You can't get the flu from the flu shot.
- + Serious side effects from the flu shot are very rare.

The flu shot works

- + You should get the flu shot even if you've already had the COVID-19 vaccine. The COVID-19 vaccine doesn't protect you from the flu.
- + Being protected from both the flu and COVID-19 lowers your risk of severe health complications.

STOP

THE SPREAD OF THE **FLU AND COVID-19**

Employing multiple public health measures at once helps protect you and your community from the flu and COVID-19.

- + Get vaccinated against both the flu and COVID-19.
- + Stay home and away from others if you feel sick.
- + Improve ventilation in indoor and shared spaces.
- + Wash your hands often with soap and water.
Use hand sanitizer if soap and water aren't available.
- + Wash your hands before touching your eyes, nose or mouth.
- + Cough and sneeze into a tissue or into the bend of your arm.
- + Clean and disinfect frequently touched surfaces and objects.

Decide whether to add other public health measures, like wearing a mask or physical distancing in public, based on:

- + levels of flu and COVID-19 in your community
- + vaccination coverage in your community
- + your personal risk and comfort levels

It's not always easy to tell the difference between flu symptoms and COVID-19 symptoms. If you have symptoms, stay away from others and follow the advice of your health care provider or local public health unit.

HOW TO OBTAIN A PRODUCT OR SERVICE

1. Contact the health centre or nursing station in your community, or the NIHB regional office at **1-800-640-0642**, to confirm program eligibility and benefit coverage, and to find an enrolled service provider, **before making a purchase or receiving a service.**
2. You may have to provide a prescription or medical justification.
3. Visit an enrolled service provider.

IMPORTANT

Many service providers, such as pharmacists, dentists, optometrists, opticians and mental health professionals, are enrolled with the NIHB Program for direct billing to avoid First Nations and Inuit having to pay up front for the product or service.

HOW TO OBTAIN REIMBURSEMENT

If you have already paid for an eligible product or service, follow these steps to obtain a reimbursement:

1. Visit canada.ca/nihb and select 'Client Reimbursement'.
2. Follow the links to client reimbursement forms and information.
 - Reimbursement requests for medical transportation are sent by mail to the NIHB regional office. Send the completed and signed form, along with supporting documents, to the address on the form.
 - Reimbursement requests for all other benefits are processed by Express Scripts Canada and can be submitted by mail, fax, or online through a secure web account. Visit nihb-ssna.express-scripts.ca for more information or to create an NIHB client web account.

IMPORTANT

To be eligible for reimbursement, a claim must be received by the NIHB Program within one year of the date of service or purchase.

The NIHB Program provides coverage for a range of health benefits that are not covered by other plans and programs.

PRODUCTS AND SERVICES

Consult canada.ca/nihb for full information on benefit coverage, policies and criteria.

WHAT ARE INSURED HEALTH SERVICES?

Insured health services are medically necessary services provided by a health professional, such as a doctor, that are covered under provincial health insurance (i.e. with a provincial health card).

All residents of Ontario, including First Nations and Inuit, are eligible for a provincial health insurance plan.

TO OBTAIN A PROVINCIAL HEALTH INSURANCE CARD

Ontario: 1-866-797-0000 or www.ontario.ca

WHAT ARE NON-INSURED HEALTH BENEFITS?

The non-insured health benefits covered by the NIHB Program include prescription and over-the-counter medications, dental care, vision care, medical supplies and equipment, mental health counselling, and medical transportation to access medically necessary services that are not available in your community or city of residence.

You may be eligible for coverage of certain health benefits through provincial programs. Your provider will know which program to bill.

NIHB PROGRAM ELIGIBILITY

Eligible clients must reside in Canada and be any of the following:

- a First Nations person who is registered under the *Indian Act*
- an Inuk recognized by an Inuit land claim organization
- a child less than 2 years old whose parent is NIHB eligible

DENTAL BENEFITS

- Diagnostic services, such as X-rays
- Preventive services, such as cleaning
- Restorative services, such as fillings
- Endodontic services, such as root canals
- Periodontal services, such as deep cleaning
- Removable prosthodontic services, such as dentures
- Oral surgery services, such as extractions
- Orthodontic services, such as braces
- Adjunctive services, such as sedation

VISION CARE

- Eye exams
- Eyeglasses and contact lenses that are prescribed by a vision care professional
- Eyeglass repairs

MEDICAL SUPPLIES AND EQUIPMENT

- Pressure garments and compression stockings
- Medical supplies, such as dressings and incontinence supplies
- Mobility and self-care equipment, such as walking, bathing and toileting aids
- Limbs and body orthotics, prosthetics and footwear equipment
- Oxygen and respiratory supplies and equipment, such as Continuous Positive Airway Pressure (CPAP) machines
- Audiology equipment, such as hearing aids
- Low vision and communication aids

MEDICATION

- Prescription and over-the-counter medication prescribed or recommended by a health professional

MENTAL HEALTH COUNSELLING

- Individual or group counselling for eligible clients with a licensed mental health professional, such as a psychologist or social worker
- Traditional healer services may also be available in some communities

MEDICAL TRANSPORTATION

- Transportation to access health services that are not available in your community of residence, such as medical or dental appointments, eye exams, or mental health counselling
- Meals, accommodations and in-city transportation while on eligible medical travel
- NIHB may cover emergency transportation costs, if not covered through provincial services or another benefit plan. In an emergency, call 911 or the number for emergency services in your community

IMPORTANT

If your medical appointment is cancelled, you must also cancel your travel arrangements by contacting NIHB, your community medical transportation coordinator, or transportation / accommodation provider.

Indigenous Transition Navigation Services

What are Indigenous Transition Navigation Services?

These services are intended to meet the needs of First Nations, Métis, Inuit and Urban Indigenous people. They support the patient and their family throughout their care in the hospital and as they transition to other services, in a culturally safe and relevant manner.

How Can Indigenous Patient Navigation Services Support Indigenous Patients at CKHA?

Using a cultural, trauma and healing informed approach, the Indigenous Transitions Navigator:

- Acts as a resource to the healthcare team by providing resources and education on Indigenous cultural safety
- Facilitates communication between the patient and family and their care team
- Connects patients to other services
- Supports the development of the healthcare plan and transition from hospital to community
- Facilitates access to traditional medicines and ceremony
- Supports the navigation of the healthcare system for Indigenous patients

How do I access these Services?

Indigenous Navigation Services can be reached Monday to Friday from 8:00 a.m. to 4:00 p.m.
