AND/OR GARRETTE STONEFISH @ 519 503-9133

## **Conserve Water Alert: Delaware Nation Community**

Tuesday February 4th, 2025 – Snow and Rainfall have been minimal this year which helps replenish the ground water in our wells. Delaware's Wells are **critically low**. It's when we experience extreme weather conditions and everyone's consumption peaks at once, that adequate supply for emergencies is jeopardized. In order to ensure that there is a continuous supply of water, we need to reduce the daily consumption rate until further notice. We have been trucking water into treatment plant since Thursday December 9<sup>th</sup> 2024

### **Water Conservation Tips**

- Minimize laundry washing; wash full loads
- Wash dishes once a day
- Don't let the water run (example while brushing teeth)
- Fix leaky pipes, faucets and toilets, report Leaks to water operator or administration receptionist
- Keep showers to a 5 min or less, take fewer baths

**IF YOU HAVE ANY LEAKY PLUMBING PLEASE CONTACT ASAP!!**

If you have any questions

Chris 519-709-2796 or 519-692-9612

George 519-359-2822

Preston 519-401-0913

Administration Receptionist 519-692-3936.

Thank You

Chris Doxtator

Water Plant Operator

Eelūnaapéewi Lahkéewiit

Public Works Department

---

## *Blue Totes: Recycling boxes*

---

Please be advised, that residents should take care of these items. Some residents have had their totes stolen, from the roadway. As soon as the garbage truck empties these totes, please take the blue totes up and behind your home or as close to your home as possible.

**ALSO, PLEASE HAVE YOUR BLUE TOTES REMOVED FROM THE ROAD, BEFORE THE ROADS DEPARTMENT START TO remove SNOW in winter months.**

Also, you are only allowed one blue tote per household unless you have a business (Fee for requesting an extra Blue Tote for your business = **\$200.00**).

**If the BLUE TOTES are stolen/damaged then call the number below and they will be replaced with a **new one**.**

**The Black and Blue (RECYCLING) Boxes if damaged or stolen, are not the responsibility of the Public Works Department.**

Anushiik,

**Brian Snake Sr.**

**Public Works Department -226-626-4603**

# Just in time for SPRING!

## IT'S AS EASY AS

**1** GARBAGE  
GOES  
HERE!

**2** GARBAGE  
GOES  
THERE!

Community Clean -Up

 (519) 352-6400 ext. 6589

 [indigenous.health@ckha.on.ca](mailto:indigenous.health@ckha.on.ca)

**INDIGENOUS NAVIGATION SERVICES**

## WHAT IS AN ITN?

The Indigenous Transition Navigator (ITN) is a position that works at CKHA's Chatham and Wallaceburg Sites.

The ITN is available to support Indigenous patients and their families during their stay at CKHA.

The goal of the ITN is to help make your hospital care and journey to wellness safe, comfortable, and less confusing.

The ITN is available to support your care journey and make it less stressful for you and your family.

Any member of your care team including your doctor or nurse can refer you to the ITN.

You can also request that the ITN is a part of your care team at any point during your care.

**One Team - Two Sites:  
Serving Chatham and Rural Kent**

## WHAT CAN THE ITN DO?

The ITN is available to:

- Offer emotional and cultural support
- Create a respectful space and help to support the rest of your care team to provide care in a culturally safe way
- Be part of your care and discharge planning team
- Provide access to sacred care for you and your family
- Facilitate access to cultural healing practices
- Reconnect you with your Elder or spiritual care provider to ensure you have access to them during your care
- Connect you with language translation services
- Connect you to Indigenous Services in the community

### How do I access ITN services?

If you self-identify as First Nation, Inuit or Métis and you are interested in receiving ITN services, you can speak to anyone on your healthcare team and ask that a referral be made on your behalf.

You, your family, or caregivers can also call the ITN to request support.

Having the Indigenous Transition Navigator as part of your care team creates a culturally safer space for you and your family while at CKHA.

# Youth Gambling Awareness Program (YGAP)

Promoting Healthy and Informed Choices

## Did you know?

- Gambling patterns start as early as eight years old and can be established before an adolescent reaches high school

- Youth need to understand and know their choices before being faced with risky situations
- Online gambling and gaming are accessible to youth anywhere
- Youth today are the first generation to grow up in a society where gambling is actively promoted, legalized and glamorized

## Signs of problem gambling:

- Letting school or work suffer due to preoccupation with gambling
- Losing interest in other activities, friends or family
- Being criticized by others about gambling behaviour
- Borrowing, lying or stealing to gamble or pay back debts
- Money appearing and disappearing
- Spending increased time online in isolated areas

## Helping youth make informed choices

Our educational prevention programs raise youth awareness about gambling, healthy decision making and making informed decisions.

Using a harm reduction approach, we offer youth accurate information to make their own informed choices around gambling and other high risk activities. We don't make value judgments regarding gambling; rather we see it as an activity people may or may not choose to engage in.

## Raising awareness and engaging youth

We promote community awareness and involvement in issues related to youth gambling. By facilitating youth-driven initiatives, we encourage youth expression and community action. We:

- Deliver interactive workshops for youth 8-24 years
- Provide interactive workshops to adult allies involved in young people's lives
- Offer curriculum activities based on Ministry of Education requirements
- Attend community fairs/events

## The impact of education

Together with the Government of Ontario, we believe education is essential to youth health, well-being and helping youth reach their potential. We offer Youth Gambling Awareness Programs in English and French across Ontario.

Community partnerships are an important part of the program, and we work with various agencies to provide referral services to gambling treatment services.

## Public Health Alert: Ongoing High Rates of Syphilis

---

To: Chiefs, Health Directors and Community Programming Leads

Date: January 14, 2025

Syphilis cases have been on the rise in First Nation communities across Ontario region since 2021. 116 cases of syphilis, including 1 case of congenital syphilis, have been reported across 36 communities in 2024.

Concerning trends:

- More than 100 cases of syphilis have been reported in First Nation Communities across Ontario each year for the last 3 years
- The number of communities reporting syphilis cases has increased. In both 2022 and 2023 syphilis cases were reported in 26 communities; in 2024 syphilis cases were reported in 36 communities
- In 2024, a significant number of cases were reported in females of childbearing age (15-39 years) increasing the concern of congenital syphilis risk and the importance of testing for syphilis

### About Syphilis:

- Syphilis is a sexually transmitted infection (STI) that can be passed through unprotected oral, vaginal or anal sex with an infected partner
- Untreated syphilis infection during pregnancy can be passed from mother to baby during pregnancy and delivery and can result in a number of complications including miscarriage, stillbirth, pre-term delivery and congenital syphilis infection in the newborn
- Syphilis can be treated with antibiotics but if left untreated can have serious health consequences

### Symptoms and Testing:

Symptoms of syphilis can include:

- One or more painless ulcers on the genitals, anus or mouth
- Rash which can be seen throughout the body including on the palm of hands and soles of feet
- Swollen glands, fever, muscle aches and tiredness

Symptoms of syphilis may resolve without treatment, but the infection remains in the body. The best way for a person to know if they have syphilis is to get tested.

### Risk Factors:

Anyone who is sexually active can contract syphilis. Activities where there is higher risk for syphilis and other sexually transmitted and blood borne infections (STBBIs) include:

- Sex without a condom
- Sex with multiple partners or anonymous sexual encounters
- Substance use
- Sex with someone who is known to have syphilis or another STBBI

### **Prevention**

Measures that can be taken to help address syphilis and other STBBIs (HIV, Hepatitis B and Hepatitis C) include:

- Creating awareness about syphilis and other STBBIs in your community
- Facilitating access to testing
- Encouraging community members to get tested for STBBIs, including syphilis, if they are concerned, have risk factors or as part of routine check ups
- Encouraging safe sex practices including the use of condoms and dental dams
- Promoting safe drug use through harm reduction programs, for example, needle and drug equipment distribution

### **Resources**

A number of resources are available to support syphilis and STBBI awareness activities including:

- [Syphilis: Awareness resources - Canada.ca](#)
- [CATIE: Syphilis resources](#)
- [ISC: Syphilis in Indigenous Communities - Fact Sheet](#)
- [ISC: Congenital Syphilis in Indigenous Communities – Poster](#)
- [BCCDC Indigenous Health Resources - Let's talk about sex](#)

Indigenous Services Canada is committed to supporting First Nation communities in their response to STBBIs, including syphilis. If there are concerns about syphilis or other STBBIs in your community, or additional support is required, please reach out to your local public health unit or area ISC Communicable Disease Practice Advisor.

Please note: This advice is intended to supplement, not replace, the advice of local public health authorities

Kind Regards,

*Claudia Sarbu*

**Eelūnaapéewi Lahkéewiit** (Delaware Nation)  
**JOB POSTING**

**EDUCATION DEPARTMENT – 2 Bus Monitor**

The Delaware Nation Council is currently accepting applications for one Bus Monitor within the Delaware Nation Education Department.

**SUPERVISION**

Reports to Education Manager.

**SUMMARY**

The Bus Monitor manages and monitors student behavior while entering, riding and exiting the vehicle.

**EDUCATION DEPARTMENT VISION STATEMENT**

Through the continuation of our Ancestral Teaching, we will develop respectful, confident individuals who will reflect the traditions and culture throughout their life's journey.

In pursuit of educational endeavors we will encourage and support Lunaapeew peoples to achieve a life-long knowledge process that is relevant to their individual needs.

To stress the importance of education, we will foster a foundation that builds on our unique Lunaapeew history, culture, language, teachings and spirituality for all of our future generations.

**DUTIES & RESPONSIBILITIES** (to include but not be limited to the following):

**1. Safety During Transport**

- Ensure safety of students while entering, exiting and riding the vehicle.
- Assist students as needed to cross street to get to, or leave the vehicle.
- Attend to student's physical, medical or emotional needs while entering, riding, or exiting the vehicle.
- Supervise student-seating arrangements.
- Foster and promote safe, positive and orderly environment during trips.
- Enforce Lambton-Kent District School Board bus rules and regulations governing student conduct.
- Follows approved emergency or evacuation procedures to assist students and driver during an emergency.
- Maintains safety, control and custody of students outside of vehicle during an emergency.
- Additional duties related to the safety of students and transport as requested by Education Manager.

**2. Administrative**

- Report and refer parent complaints to Education Manager.
- Immediately advise Education Manager of incidents, hazards, accidents or safety violations.
- Complete and maintain daily reports, logs or documentation as requested.
- Prepare and submit own timesheet
