NOTICE

- **The Four First Nations Education Association (FFNEA) – Aamjiwnaang, Chippewas of Kettle & Stony Point First Nation, Eelūnaapéewi-Lahkéewiit (Delaware Nation), and Bkejwanong Territory – Walpole Island First Nation are looking for:**

First Nation Trustee

To represent the FFNEA on the Lambton Kent District School Board

Effective November 15, 2026

The Role of First Nation Representatives:

Section 188 (5) of the *Education Act* allows for a regulation to provide First Nation representation on school boards. Regulation 462/97, First Nations Representation on Boards, lists the conditions for appointing First Nation Trustees, provided a tuition agreement is in place. These are:

- When the lesser of 10 percent of the students of a board or 100 students are from First Nations communities, the First Nations communities may name, and the board must appoint, one representative. That person is deemed to be elected to the board.
- When 25 percent of the students of a board are from First Nations communities, the board may appoint a second representative.
- When the First Nations students' number is fewer than the lesser of 10 percent and 100, the appointment of the First Nation representative is at the discretion of the board.

The role of all Trustees is to help create the vision and set the strategic direction that will guide the board and its schools. As the representative of the First Nations community on the school board, the First Nation Trustee is in a unique position to ensure that the Indigenous culture is part of that vision and that the strategic direction of the board includes the interests of the First Nations community.

Representation:

- Under the Education Act, the Lambton Kent District School Board (LKDSB) may appoint one representative from the four First Nations - Aamjiwnaang, Chippewas of Kettle and Stony Point First Nation, Bkejwanong Territory – Walpole Island First Nation and Eelūnaapéewi-Lahkéewiit (Delaware Nation).

The First Nation Trustee is a full voting member of the Board, and will work with elected Trustees, Student Trustees, and members of Senior Administration. The LKDSB has schools located in a number of urban and rural communities throughout the Municipality of Chatham-Kent, the City of Sarnia, and the County of Lambton.

This progressive system has 62 elementary and secondary schools, approximately 22,000 students, approximate total staff of 3,400 and a budget of approximately \$415 million.

Responsibility of the First Nation Trustee:

The First Nation Trustee is responsible for:

- monitoring the negotiation of the tuition agreement;
- ensuring that the actions of the board reflect the tuition agreement;
- ensuring that both parties of the agreement are fulfilling their obligations;
- ensuring that mechanisms are in place for effective accountability to the First Nations community;
- ensuring that racism and harassment are not part of the First Nation students' experience at school.

Responsibilities of all LKDSB Trustees as per Section 10 the LKDSB Procedural By-laws - Role of Trustees

The responsibilities of Trustees are defined in the Education Act and include but are not limited to:

- a) establishing and monitoring Board policy;
- b) implementing Provincial education policy;
- c) establishing a budget and monitoring its implementation;
- d) providing, equipping and maintaining schools;
- e) holding the Director of Education accountable for student achievement and student well-being;
- f) employing and compensating staff;
- g) accountable to ratepayers;
- h) advocating public education;
- i) ensuring the effectiveness of Board programs and services.

Trustees are expected to attend Board Meetings and serve on Board committees and keep confidential all information discussed in Private Session. Trustees are expected to follow the School Board Member (Trustee) Code of Conduct for the Board.

The First Nation Trustee can also encourage the involvement of the parents/guardians and the First Nations community in the First Nation students' education. One of the recommendations of the *Report of the Royal Commission of Aboriginal Peoples* (Volume 3, page 472) is that "all schools serving Aboriginal children adopt policies that welcome the involvement of Aboriginal parents, elders and families in the life of the school-for example, by establishing advisory or parents committees, introducing teaching by elders in the classroom, and involving parents in school activities."

Education Services Agreement (Tuition) agreements also provide for First Nation representation on school councils and the LKDSB Special Education Advisory Committee. The LKDSB Indigenous Liaison Committee provides a forum for discussing Indigenous education issues. The First Nation trustee is the co-chair, and membership includes a representative from each of the First Nations communities that have students in the LKDSB schools.

Qualifications:

Trustee candidates need to have the following qualifications:

- Band member of one of the Four First Nations – Aamjiwnaang, Chippewas of Kettle and Stony Point First Nation, Bkejwanong Territory – Walpole Island First Nation and Eelūnaapéewi-Lahkéewiit (Delaware Nation).
- At least 18 years old.

Length of Term:

The Term is four (4) years in length effective November 15, 2026.

Trustee Honorarium:

Trustees are entitled to receive an honorarium for each year of the term beginning on November 15, 2026, as outlined in the LKDSB Regulations *Trustee Honoraria*.

Allowable Expenses:

Trustees are entitled to claim expenses related to Board business, including travel to Board and Committee Meetings, as per LKDSB Regulations on *Expense Reimbursement for Staff, Trustees and Student Trustees*.

Selection Process:

Each of the four First Nations will submit the name of their candidate to the Four First Nations Education Association who will then select one to be named as the appointed representative and a second as alternate. Each First Nation will then submit in writing, to the LKDSB, naming the appointed representative and alternate. The LKDSB will then appoint the representative as the First Nation Trustee (and alternate) representing the four First Nations. The Public Sessions for LKDSB meetings are open to all community members.

Further information about the Lambton Kent District School Board is available at www.lkdsb.net

Interested applicants must submit the following information to the Eelūnaapéewi-Lahkéewiit Education Committee in a sealed enveloped clearly marked “**First Nation Trustee Position**”:

- Cover letter
- Resume
- Current Criminal Reference Check

July Update

Mnaasged Child and Family Services is excited to announce the addition of two new staff members this month. We are pleased to welcome our new Receptionist, and HR Generalist.

Both bring valuable skills and experience to their roles, and their contributions will help strengthen the day-to-day operations and supportive workplace that Mnaasged strives to provide for our staff, families, and communities.

As the summer heats up, we encourage everyone to stay safe while enjoying the season. Remember to drink plenty of water, apply sunscreen, take breaks in the shade during peak sun hours, and keep a close eye on little ones around water.

"Working together, we can move forward"

A message from Executive Director

Summer is a season of connection, and there is no better time to strengthen the relationships that guide our work. Over the past month, I have had the privilege of beginning visits with Prevention Teams in the communities we serve, and I am grateful for the warm welcomes and honest conversations about how we can work together to support children, youth, and families.

These visits are an important step in our journey towards designation, and they remind me that this work is built on trust, respect, and listening. I look forward to continuing these conversations throughout the summer and to seeing many of you at community gatherings and events in the months ahead.

As we enjoy the longer days and time spent outdoors with loved ones, I encourage everyone to take care of themselves and each other. Stay safe, stay cool, and make time for the moments that matter. On behalf of all of us at Mnaasged, I wish you and your families a wonderful summer.

Thank you,

Melissa Patriguin

Welcome to the team

Kulsum Koya *HR Generalist*

Mnaasged Child and Family Services is pleased to welcome Kulsum Koya to our team as our new HR Generalist.

Kulsum brings a strong background in Human Resources, with experience in recruitment, onboarding, and employee support within fast-paced and highly regulated environments. Throughout her career, she has worked closely with diverse teams, supporting employees at every stage of their journey with a commitment to accuracy, confidentiality, and a people-first approach.

Outside of work, Kulsum enjoys watching movies, reading, and most of all going for long drives.

Miranda Dockstater *Receptionist*

Mnaasged Child and Family Services is happy to welcome Miranda Dockstater, who has stepped into the role of Receptionist.

A familiar face to many, Miranda is glad to be back and looking forward to connecting with everyone. As the first point of contact at MCFS, she's here to help, whether you have a question, need a hand, or simply want to say hello.

You'll find Miranda at her desk at the top of the stairs, and she can be reached at extension 240.
